Storm Related Class Cancellations

Religious Education class cancellations will be announced on:

WBZ News 1030 Radio

CBS Channel 4

WCVB Channel 5

Please note: We follow the Milton Public Schools system for No School or Early Release Announcements due to inclement weather. Also, we will try to make every effort to contact local schools should we feel the need to cancel classes due to inclement weather. Parents/guardians should also use their own judgment in sending a child to class in inclement weather. As always, we can be reached at (617) 698-5763 for class cancellation updates. **Thank you.**
